Open enrollment is offered at the beginning of each coverage plan year to all students and scholars. For returning students & scholars, this is the opportunity to make changes in your plan coverage from the prior year.

The ISU student and scholar insurance program allows enrollment for students who transfer or are new to Iowa State University during the spring or summer semesters.

Dental open enrollment is open during the fall semester ONLY unless you are a new or transfer student.

Outside of the scheduled open enrollment period, a student and/or dependents can only enroll within 30 days of a qualifying event. (see Qualifying Events for specific information)
