ISU became an E-verify employer as of September 8, 2009. This requires ISU to e-verify all new employees at ISU.

Your assistance is needed as the Federal regulations require that E-verify be completed within the first three (3) days of work; it is further required that all new hires complete the I-9 form or be directed to the UHR Service Center in order to complete the I-9 form on or before their first day of work. We realize there will be unique situations for some of our employees and we will work through those on a case by case basis.

Please call the UHR Service Center @ 4-4800 if you have any questions or if a situation arises that may relate to an employee’s status.
