Lancelot and Elaine
Lancelot and Elaine are the swans who currently reside on Lake LaVerne and originally donated by the Class of 1931.

Lake LaVerne
Lake LaVerne was constructed and landscaped in 1916, a gift of LaVerne Noyes, an 1872 Iowa State alumnus. One of Iowa State’s many traditions involves Lake LaVerne. If you walk silently around the lake three times with your beloved, you are destined to be together.

Beardshear Hall

Originally named the Central Building when completed in 1908, this building housed the mathematics, English, botany, history and modern languages departments as well as the president, secretary, treasurer and board of trustees offices. It was renamed Beardshear Hall in 1938 after William M. Beardshear, who was president of the college from 1891 to 1902.

The structure has, for the most part, remained as originally built and is still home to the Office of the President, Office of the Provost, Student Financial Aid, and Vice President for Student Affairs.
Catt Hall

Carrie Chapman Catt Hall is the home of the College of Liberal Arts and Sciences. Placed on the National Register of Historic Places in 1985, the building was renovated and renamed Carrie Chapman Catt Hall in 1995 in honor of the Iowa State alumna and co-founder of the League of Women Voters.

Fountain of the Four Seasons

Placed around a circular fountain, the four seated American Indian women represent an Osage chant of thanksgiving. The four women face north, south, east and west, each demonstrating a line of the prayer. The first woman is planting the seed, "Lo, I come to the tender planting." The second woman bends close to the earth, "Lo, a tender shoot breaks forth." The third woman holds a harvest basket of maize, "Lo, I collect the golden harvest." The forth woman nurses her newborn baby, "Lo, there is joy in my house."

PRESCRIPTION DRUG COVERAGE

Express Scripts (Pharmacy Benefit Manager)

The ISU plan includes a pharmacy program that is administered separately from the medical plan. The member will have a separate benefit card that must be used for prescription purchases but there is not a separate premium to pay. The cost of the prescription plans is included in the medical premium.

Campanile

The story of the campanile is a love story. Edgar Stanton graduated with the first class of Iowa State in 1872. He spent 50 years on campus as a student and faculty member. When his first wife, Margaret MacDonald Stanton, died in 1895, Stanton wanted to establish a monument so all students and friends of Iowa State would remember her.

Since the story of the campanile is a love story, the “campaniling” tradition was created. A student officially becomes an Iowa Stater when he or she is kissed under the campanile at the stroke of midnight. During homecoming hundreds of students gather for mass campaniling. Couples kiss, the band plays, and fireworks go off at the stroke of midnight.
