✓ **Identity Protection Services**

Beginning March 1, 2016, Wellmark is enhancing value-added benefits by offering identity protection services! Wellmark health members are eligible to receive identity protection services. Members can enroll through their myWellmark account online or over the phone by calling 866-486-4812.

Members will need their Wellmark ID card and the following enrollment code: **4170999624**, also found on the member’s myWellmark account - when signed up for services.

Wellmark is working with identity protection services provider, ID Experts, to deliver a robust list of identity protection services. **ID Experts will provide members with the same level of service they expect from Wellmark.** Eligible members will have access to the following services at no cost:

- **Credit monitoring:** Monitors activity that may affect a member's credit record
- **Cyber monitoring:** Monitoring the web 24 hours a day, 7 days a week, to make sure member information has not been stolen
- **Fraud detection:** Alerts members when activity has been identified and protects them from all types of identity theft
- **Complete identity recovery:** Concierge-style services to help members recover your identity if it has been compromised
- **Reimbursement insurance:** \$1 million of identity-theft recovery insurance

✓ **BeWell24/7**

Life can get pretty stressful! For example, when you are coordinating care for an elderly parent who lives out of town, or you think your child might have a concussion and you do not know what to do. Luckily there is BeWell24/7, a service that is available exclusively to Wellmark members.

When you call 844-842-3935, you will be connected with a real person who can help you with a variety of health related concerns. For example:

- Locate health care providers and facilities – whether you are at home or traveling.
- Estimate your costs for common medical procedures and services.
- Coordinate health care appointments, in-home health help and record retrieval.
- Discuss treatment options and answer your health and wellness questions.
- Make arrangements for community-based services you or a family member needs like in-home safety modifications, meals, medical equipment, transportation and more.

BeWell24/7 information is found on the Wellmark website:
