

Questions to ask your current health insurance carrier:

1. Will my insurance work for my child when attending ISU, in Ames Iowa?
2. Does my insurance work for the Thielen Student Health center on campus as well as McFarland Clinic and the Mary Greeley Medical Center hospital?
3. Will it cover more than just medical emergency? What do you consider a medical emergency?
4. Is my child covered through the summer months even if not taking summer classes?
5. Is there a maximum age limit to when my child drops off of my insurance?
6. What happens if for some reason my child would need to drop below fulltime student status?
7. Is my insurance good world wide if my child decides to do a study abroad program.

For information on the ISU Student & Health Insurance Program visit our website at www.hrs.iastate.edu/sship/. You may contact our office by e-mail at isusship@iastate.edu or by telephone at (515) 294-2394.
